HOUSING NEEDS

Housing Needs

The section of this plan, explains the housing needs in the jurisdiction (Table 1) and on the low income public housing waiting list (Table 2) in Othello. Also enclosed is the public housing waiting list which is broken down per bedroom size, income, racial/Ethnic breakdown and the average length of time an applicant may need to wait to receive housing.

NEEDS ASSESSMENT

The Quality Housing and Work Responsibility Act of 1998 requires that housing authorities set forth in our Annual Plan a Needs Assessment of the housing needs of our jurisdiction and our waiting list. Also, we are required to state how we intend to address these needs.

Attached is the information contained in the Housing Needs Section of our Consolidated Plan. It shows there is a significant need for additional affordable housing resources in our community. Also, per the requirements, we have attached data and tables that provide an analysis of our waiting list.

The information was analyzed in the following housing needs studies done in 2010 US Census Bureau as well as a market demand study in 1997 consistently document a pattern of persons meeting three basic indicators of housing needs which are: (1) living in substandard housing; (2) living in overcrowded housing; (3) paying too much family income for housing. Occupancy levels in rental property consistently exceed 97% indicating a continuing need.

The Othello Housing Authority used this analysis to prepare our five-year goals and objectives. It reflects our priorities that we have set forth in our Mission Statement.

Our agency is part of the entire effort undertaken by the Othello area to address our affordable housing needs. As stated above, the need for housing shows that during the 1970's and early 1980's there were several affordable housing projects built in this small city. Most of these projects were tax credit projects and they helped to solve an acute shortage of affordable housing in Othello. The communities need for affordable housing has increased during the last twenty years due to the area diversifying its crop production and creating a demand for more year around workers versus migrant labor. Numerous of these projects have fulfilled the goals of the original developers and are now being offered for sale. While we cannot ourselves meet the entire need identified here, in accordance with our goals included in this Plan, we will try to address some of the identified needs by using appropriate resources to maintain and preserve our existing stock. When appropriate and feasible, we will apply for additional grants and loans from federal, state and local sources, including private sources to help add to the affordable housing available in our community. We intend to work with our local partners to try to meet these identified needs.

This year, we expect to receive \$722,220.00 in funds for our existing programs (refer to section #17 on **Financial Resources**). We will continue to use those resources to house people. At this time we do not intend to apply for any funds. Priorities and guidelines for programs often change from year to year and our decisions to pursue certain opportunities and resources may also change over the coming year if there are program changes beyond our control.

**OTHELLO HOUSING AUTHORITY
ORGANIZATION CHART**

GRIEVANCE PROCEDURE

Public Housing Grievance Procedure

The grievance procedure gives the housing authority tenants that are being evicted a tool to resolve disputes with the housing authority that is quicker and less expensive than a lawsuit. It provides information on the regulatory requirements and how the process works for both the resident and the housing authority.

PUBLIC HOUSING GRIEVANCE PROCEDURE

1.0 RIGHT TO A HEARING

Upon the filing of a written request as provided in these procedures, a resident shall be entitled to a hearing before a Hearing Officer.

2.0 DEFINITIONS

For the purpose of this Grievance Procedure, the following definitions are applicable:

- A. **"Grievance"** shall mean any dispute which a resident may have with respect to the Othello Housing Authority's action or failure to act in accordance with the individual resident's lease or Authority regulations which adversely affect the individual resident's rights, duties, welfare or status. Grievance does not include any dispute a resident may have with the Authority concerning a termination of tenancy or eviction that involves any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the Authority's public housing premises by other residents or employees of the Authority; or any violent or drug-related criminal activity on or near such premises. Nor shall this process apply to disputes between residents not involving the Othello Housing Authority or to class grievances.
- B. **"Complainant"** shall mean any resident whose grievance is presented to the Othello Housing Authority or at the development management office in accordance with sections 3.0 and 4.0 of this procedure.
- C. **"Elements of Due Process"** shall mean an eviction action or a termination of tenancy in a State or local court in which the following procedural safeguards are required:
 - 1. Adequate notice to the resident of the grounds for terminating the tenancy and for eviction;
 - 2. Right of the resident to be represented by counsel;
 - 3. Opportunity for the resident to refute the evidence presented by the Authority including the right to confront and cross examine witnesses and to present any affirmative legal or equitable defense which the resident may have; and
 - 4. A decision on the merits.

- D. **"Hearing Officer"** shall mean a person selected in accordance with section 4.0 of these procedures to hear grievances and render a decision with respect thereto.
- E. **"Resident"** shall mean the adult person (or persons) other than a live-in aide:
 1. Who resides in the unit and who executed the lease with the Othello Housing Authority as lessee of the premises, or, if no such person now resides in the premises,
 2. Who resides in the unit and who is the remaining head of household of the resident family residing in the unit.
- F. **"Resident Organization"** includes a resident management corporation.
- G. **"Promptly"** (as used in section 3.0, and 4.0 (D)), shall mean within the time period indicated in a notice from Othello Housing Authority of a proposed action which would provide the basis for a grievance if the resident has received a notice of a proposed action from the agency.

3.0 PROCEDURES PRIOR TO A HEARING

Any grievance shall be promptly and personally presented, either orally or in writing, to the Othello Housing Authority office or to the office of the development in which the resident resides so that the grievance may be discussed informally and settled without a hearing. A summary of such discussion shall be prepared within fourteen (14) calendar days and one copy shall be given to the resident and one retained in the Authority's resident file. The summary shall specify the names of the participants, dates of the meeting, the nature of the proposed disposition of the complaint and the specific reasons therefor, and shall specify the procedures by which a hearing under these procedures may be obtained if the resident is not satisfied.

4.0 PROCEDURES TO OBTAIN A HEARING

4.1 REQUEST FOR HEARING

The resident shall submit a written request for a hearing to the Authority or the development office within fourteen (14) calendar days from the date of the mailing of the summary of the discussion pursuant to section 3.0. The written request shall specify:

- A. The reasons for the grievance; and
- B. The action or relief sought.

4.2 SELECTION OF A HEARING OFFICER

A grievance hearing shall be conducted by an impartial person appointed by the Othello Housing Authority other than a person who made or approved the action under review or a subordinate of such person.

The Othello Housing Authority shall annually submit a list of prospective hearing officers. This list shall be provided to any existing resident organization(s) for such organization's comments or recommendations. The Othello Housing Authority shall consider any comments or recommendations by a resident organization.

From this list, a hearing officer shall be selected.

4.3 FAILURE TO REQUEST A HEARING

If the resident does not request a hearing in accordance with this section, then the Othello Housing Authority's disposition of the grievance under section 3.0 shall become final. However, failure to request a hearing does not constitute a waiver by the resident of the right thereafter to contest the Othello Housing Authority's action in disposing of the complaint in an appropriate judicial proceeding.

4.4 HEARING PREREQUISITE

All grievances shall be promptly presented in person, either orally or in writing, pursuant to the informal procedure prescribed in section 3.0 as a condition precedent to a hearing under this Section. However, if the resident can show good cause why there was failure to proceed in accordance with section 3.0 to the Hearing Officer, the provisions of this subsection may be waived by the Hearing Officer.

4.5 ESCROW DEPOSIT

Before a hearing is scheduled in any grievance involving the amount of rent as defined in the lease which the Othello Housing Authority claims is due, the resident shall pay to the Othello Housing Authority an amount equal to the amount of the rent due and payable as of the first of the month preceding the month in which the act or failure to act took place. The resident shall thereafter deposit monthly the same amount of the monthly rent in an escrow account held by the Othello Housing Authority until the complaint is resolved by decision of the Hearing Officer. Amounts deposited into the escrow account shall not be considered as acceptance of money for rent during the period in which the grievance is pending. In extenuating circumstances, the Othello Housing Authority may waive these requirements. Unless so waived, the failure to make such payments shall result in a termination of the grievance procedure. However, failure to make payment shall not constitute a waiver of any right the resident may have to contest the Othello Housing Authority's disposition of his grievance in any appropriate judicial proceeding.

If a grievance concerns the denial of a financial hardship exemption from the minimum rent requirement or the effect of welfare benefit reductions in the calculation of family income, the requirement for an escrow deposit is waived.

4.6 SCHEDULING OF HEARINGS

Upon the resident's compliance with this section the Hearing Officer shall promptly schedule a hearing for a time and place reasonably convenient to both the resident and the Othello Housing Authority. A written notification specifying the time, place and the procedures governing the hearing shall be delivered to the resident and the appropriate agency official.

5.0 PROCEDURES GOVERNING THE HEARING

The resident shall be afforded a fair hearing, which shall include:

- A. The opportunity to examine before the grievance hearing any Authority documents, including records and regulations that are directly relevant to the hearing. The resident shall be provided a copy of any such document at the resident's expense. If the Othello Housing Authority does not make the document available for examination upon request by the resident, the Othello Housing Authority may not rely on such document at the grievance hearing.
- B. The right to be represented by counsel or other person chosen as the resident's representative and to have such person make statements on the resident's behalf;
- C. The right to a private hearing unless the resident requests a public hearing;
- D. The right to present evidence and arguments in support of the resident's complaint, to controvert evidence relied on by the Authority or development management, and to confront and cross examine all witnesses upon whose testimony or information the Othello Housing Authority or development management relies; and
- E. A decision based solely and exclusively upon the facts presented at the hearing.

The Hearing Officer may render a decision without holding a hearing if the Hearing Officer determines that the issue has been previously decided at another hearing.

If either the resident or Authority fails to appear at a scheduled hearing, the Hearing Officer may postpone the hearing for up to five business days or determine that the missing party has waived their right to a hearing. Both the Othello Housing Authority and the resident shall be notified of the Hearing Officer's decision. This decision shall not waive a resident's right to contest the disposition of the grievance in an appropriate judicial proceeding.

The following accommodation will be made for persons with disabilities:

- A. The Othello Housing Authority shall provide reasonable accommodations for persons with disabilities to participate in the hearing. Reasonable

accommodations may include qualified sign language interpreters, readers, accessible locations, or attendants.

- B. If the resident is visually impaired, any notice to the resident that is required by these procedures must be in an accessible format.

6.0 INFORMAL HEARING PROCEDURES FOR DENIAL OF ASSISTANCE ON THE BASIS OF INELIGIBLE IMMIGRATION STATUS

The participant family may request that the Othello Housing Authority provide for an informal hearing after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. The participant family must make this request within 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 days of receipt of the INS appeal decision.

7.0 DECISION OF THE HEARING OFFICER

The Hearing Officer shall prepare a written decision, together with the reasons therefor, within fourteen (14) calendar days after the hearing. A copy of the decision shall be sent to the resident and the Othello Housing Authority. The Authority shall retain a copy of the decision in the resident's folder. A copy of such decision with all names and identifying references deleted shall also be maintained on file by the Othello Housing Authority and made available for inspection by a prospective complainant, his or her representative, or the Hearing Officer.

The decision of the Hearing Officer shall be binding on the Othello Housing Authority who shall take all actions, or refrain from any actions, necessary to carry out the decision unless the Othello Housing Authority's Board of Commissioners determines within reasonable time, and promptly notifies the complainant of its determination, that:

- A. The grievance does not concern Othello Housing Authority action or failure to act in accordance with or involving the resident's lease or Authority regulations, which adversely affect the resident's rights, duties, welfare or status;
- B. The decision of the Hearing Officer is contrary to applicable Federal, State, or local law, Authority regulations, or requirements of the Annual Contributions Contract between the Authority and the U.S. Department of Housing and Urban Development.

A decision by the Hearing Officer or Board of Commissioners in favor of the Othello Housing Authority or which denies the relief requested by the resident in whole or in part shall not constitute a waiver of, nor affect in any manner whatsoever, any rights the

resident may have to a trial do novo or judicial review in any judicial proceedings, which may thereafter be brought in the matter.

CAPITAL IMPROVEMENT PLAN

Capital Improvement Plan

Each year, the housing authority must complete a Capital Improvement Plan and submit it to HUD (Housing and Urban Development) for approval. On this report, the housing authority estimates how much money will be spent on public housing development, financing, modernization or on management improvements.

The forms attached shows an estimation of what we could be getting from Capital Fund which is around \$214,817.00. I have allocated \$107,817.00 to operations and \$107,000.00 to Unit Modernization.

Capital Fund Program: Provides funds, annually, to PHAs (Public Housing Agencies) for the development, financing, and modernization of public housing developments and for management improvements.

CAPITAL IMPROVEMENT PLAN

The Quality Housing and Work Responsibility Act of 1998 require that housing authorities set forth in their Annual Plan a Capital Improvement Plan. The attached HUD forms are our Plan. The needs we currently have greatly exceed the resources we have to meet these needs. The prioritization decisions we have made were extremely difficult to make, but are in the best interest of our residents and the community.

This Plan is based on the best information that was available to the Othello Housing Authority at the time we prepared the Plan. Unfortunately, we were not notified of the exact amount of Capital Funds that will be available for our use in the affected fiscal year. When exact information is received, we may need to make required revisions to this Plan.

OWNERSHIP OF PETS IN PUBLIC HOUSING

Ownership of Pets in Public Housing

Attached is the Pet Policy which explains the procedures and rules on keeping a pet in public housing authority property.

OTHELLO HOUSING AUTHORITY
PET POLICY – GENERAL OCCUPANCY

[24 CFR Part 960, Subpart G]

INTRODUCTION

The purpose of this policy is to establish the PHA's policy and procedures for ownership of pets in general occupancy (family) projects and to ensure that no applicant or resident is discriminated against regarding admission or continued occupancy because of ownership of pets. It also establishes reasonable rules governing the keeping of common household pets.

This policy does not apply to animals that are used to assist, support or provide service to persons with disabilities, or to service animals that visit public housing developments.

A. ANIMALS THAT ASSIST, SUPPORT OR PROVIDE SERVICE TO PERSONS WITH DISABILITIES

The resident/pet owner will be required to qualify animals (for exclusion from the pet policy) that assist, support or provide service to persons with disabilities.

Pet rules will not be applied to animals that assist, support or provide service to persons with disabilities. This exclusion applies to both service animals and companion animals as reasonable accommodation for persons with disabilities. This exclusion applies to such animals that reside in public housing and that visit these developments.

B. STANDARDS FOR PETS

Types of Pets Allowed

No types of pets other than the following may be kept by a resident. The following types and qualifications are consistent with applicable State and local law.

1. **Dogs**

Maximum number: DOGS NOT ALLOWED. There are no OHA owned properties that are properly fenced or configured to accommodate dogs.

2. Cats

Maximum number: 1

Must be spayed or neutered

Must have all required inoculations

Must be trained to use a litter box or other waste receptacle

Must be licensed as specified now or in the future by State law or local ordinance

Any litter resulting from the pet must be removed from the unit immediately

3. Birds

Maximum number 2

Must be enclosed in a cage at all times

4. Fish

Maximum aquarium size

Must be maintained on an approved stand

The following are NOT considered "common household pets":

Animals who would be allowed to produce offspring for sale.

Wild, feral, or any other animals that are not amenable to routine human handling.

Any poisonous animals of any kind.

Fish in aquariums exceeding ten gallons in capacity.

Non-human primates.

Animals whose climatological needs cannot be met in the unaltered environment of the individual dwelling unit.

Pot-bellied pigs.

Ferrets or other animals whose natural protective mechanisms pose a risk of serious bites and/or lacerations to small children.

Hedgehogs or other animals whose protective instincts and natural body armor produce a risk of serious puncture injuries to children.

Chicks, turtles, or other animals that pose a significant risk of salmonella infection to those who handle them.

Pigeons, doves, mynahs, psittacines, and birds of other species that are hosts to the organisms that cause psittacosis in humans.

Snakes or other kinds of reptiles.

C. REGISTRATION OF PETS

Pets must be registered with the PHA before they are brought onto the premises.

Registration includes certificate signed by a licensed veterinarian or State/local authority that the pet:

has received all inoculations required by State or local law

has no communicable disease(s) (and)

is pest-free.

Registration must be renewed and will be coordinated with the annual reexamination date.

Proof of license and inoculation will be submitted at least 30 days prior to annual reexamination.

Each pet owner must provide two color photographs of their pet(s).

Approval for the keeping of a pet shall not be extended pending the completion of these requirements.

Refusal to Register Pets

If the PHA refuses to register a pet, a written notification will be sent to the pet owner stating the reason for denial. The notification will be served in accordance with HUD notice requirements.

The PHA will refuse to register a pet if:

The pet is not a “common household pet” as defined in this policy;

Keeping the pet would violate any House Rules;

The pet owner fails to provide complete pet registration information;

The pet owner fails to update the registration annually;

The PHA reasonably determines that the pet owner is unable to keep the pet in compliance with the pet rules and other lease obligations. The pet’s temperament and behavior may be considered as a factor in determining the pet owner’s ability to comply with the provisions of the lease.

The notice of refusal may be combined with a notice of pet violation.

D. PET AGREEMENT

Residents who have been approved to have a pet must enter into a Pet Agreement with the PHA.

The Resident will certify, by signing the Pet Agreement, that the Resident will adhere to the following rules:

Agree that the resident is responsible and liable for all damages caused by their pet(s).

All complaints of cruelty and all dog bites will be referred to animal control or applicable agency for investigation and enforcement.

All common household pets are to be fed inside the apartment. Feeding is not allowed on porches, sidewalks, patios or other outside areas.

Tenants are prohibited from feeding stray animals.

The feeding of stray animals will constitute having a pet without permission of the Housing Authority.

Residents shall not feed any stray animals; doing so, or keeping stray or unregistered animals, will be considered having a pet without permission.

No animals may be tethered or chained outside or inside the dwelling unit.

When outside the dwelling unit, all pets must be on a leash or in an animal transport enclosure and under the control of a responsible individual.

All fecal matter deposited by the pet(s) must be promptly and completely removed from any common area. Failure to do so will result in a Pet Waste Removal charge of \$20.00. All animal waste or the litter from litter boxes shall be picked up immediately by the pet owner, disposed of in sealed plastic trash bags, and placed in a trash bin. Litter shall not be disposed of by being flushed through a toilet.

Litter boxes shall be stored inside the resident's dwelling unit or in animal enclosures maintained within dwelling units AND must be removed and/or replaced regularly. Failure to do so will result in a Pet Waste Removal charge.

The Resident/Pet Owner shall be responsible for the removal of waste from any animal or pet exercise area by placing it in a sealed plastic bag and disposing of it in an outside trash bin immediately.

Pet owners must take precautions to eliminate pet odors.

The resident/pet owner shall take adequate precautions to eliminate any animal or pet odors within or around the unit and to maintain the unit in a sanitary condition at all times.

The right of management to enter dwelling unit when there is evidence that an animal left alone is in danger or distress, or is creating a nuisance.

The right of management to seek impoundment and sheltering of any animal found to be maintained in violation of housing rules, pending resolution of any dispute regarding such violation, at owner's expense. The resident shall be responsible for any impoundment fees, and the PHA accepts no responsibility for pets so removed.

That failure to abide by any animal-related requirement or restriction constitutes a violation of the "Resident Obligations" in the resident's Lease Agreement.

Residents will prevent disturbances by their pets that interfere with the quiet enjoyment of the premises of other residents in their units or in common areas. This includes, but is not limited to, loud or continuous barking, howling, whining, biting, scratching, chirping, or other such activities.

Residents/pet owners shall not alter their unit, patio, premises or common areas to create an enclosure for any animal. Installation of pet doors is prohibited.

Dogs may only be kept in dwelling units with an enclosed yard space. Pet owners may not alter their unit or patio to accommodate an animal.

E. LIMITATIONS ON PET OWNERSHIP

Although the PHA, consistent with statutory intent, generally allows pet ownership in general occupancy (family) developments, upon extensive discussion the PHA shall limit pet ownership at certain PHA developments or portions of developments. Specific developments and portions of developments are described in the PHA Annual Plan. Limitations include, but are not limited to, the following:

Dogs may only be kept in dwelling units with an enclosed yard space.

Dogs will not be permitted in units where backyard fencing is inadequate to keep dogs in, and small children out.

Dogs will not be permitted in units where backyard fencing is inadequate to prevent a small child from putting a hand, arm, or leg through the fence.

Animals with fur, such as dogs and cats, will not be permitted in duplexes where residents have identified a family member with verified asthma exacerbated by fur or allergies to fur.

F. DESIGNATION OF PET-FREE AREAS

The following areas are designated as no-pet areas:

- * PHA playgrounds
- * PHA day care centers
- * PHA management offices
- * PHA community centers
- * PHA recreation center areas

G. PETS TEMPORARILY ON THE PREMISES

Excluded from the premises are all animals and/or pets not owned by residents, except for service animals.

Residents are prohibited from feeding or harboring stray animals.

H. DEPOSITS FOR PETS

* Tenants with animals must pay a pet deposit of \$200.00 for the purpose of defraying all reasonable costs directly attributable to the presence of a particular pet.

*The resident will be responsible for all reasonable expenses directly related to the presence of the animal or pet on the premises, including the cost of repairs and replacement in the apartment, and the cost of animal care facilities if needed.

*These charges are due and payable within 30 days of written notification.

* The PHA reserves the right to change or increase the required deposit by amendment to these rules.

The PHA will refund the Pet Deposit to the tenant, less any damage caused by the pet to the dwelling unit, within a reasonable time after the tenant moves or upon removal of the pet from the unit.

The PHA will return the Pet Deposit to the former tenant or to the person designated by the former tenant in the event of the former tenant's incapacitation or death.

The PHA will provide the tenant or designee identified above with a written list of any charges against the pet deposit. If the tenant disagrees with the amount charged to the pet deposit, the PHA will provide a meeting to discuss the charges.

All reasonable expenses incurred by the PHA as a result of damages directly attributable to the presence of the pet in the project will be the responsibility of the resident, including, but not limited to:

- *The cost of repairs and replacements to the resident's dwelling unit;**
- * Fumigation of the dwelling unit;**
- * Common areas of the project if applicable**

The expense of flea deinfestation shall be the responsibility of the resident.

If the tenant is in occupancy when such costs occur, the tenant shall be billed for such costs as a current charge.

If such expenses occur as the result of a move-out inspection, they will be deducted from the pet deposit. The resident will be billed for any amount that exceeds the pet deposit.

Pet Deposits are not a part of rent payable by the resident.

J. PET WASTE REMOVAL CHARGE

*** A separate pet waste removal charge of \$20.00 per occurrence will be assessed against the resident for violations of the pet policy.**

Pet waste removal charges are not part of rent payable by the resident.

K. PET AREA RESTRICTIONS

Pets must be maintained within the resident's unit. When outside of the unit (within the building or on the grounds) dogs and cats must be kept on a leash or carried and under the control of the resident or other responsible individual at all times.

A common household pet must be effectively restrained and under the control of a responsible person when passing through a common area, from the street to the apartment, etc.

Pets are not permitted in common areas including lobbies, community rooms and laundry areas except for those common areas which are entrances to and exits from the building.

L. CLEANLINESS REQUIREMENTS

Litter Box Requirements. All animal waste or the litter from litter boxes shall be picked up/emptied daily by the pet owner, disposed of in heavy, sealed plastic trash bags, and placed in a trash container immediately.

Litter shall not be disposed of by being flushed through a toilet.

Litter boxes shall be stored inside the resident's dwelling unit.

M. PET CARE

* No pet (excluding fish) shall be left unattended in any apartment for a period in excess of 12 hours.

All residents/pet owners shall be responsible for adequate care, nutrition, exercise and medical attention for his/her pet.

Residents/pet owners must recognize that other residents may have chemical sensitivities or allergies related to pets, or may be easily frightened or disoriented by animals. Pet owners must agree to exercise courtesy with respect to other residents.

N. RESPONSIBLE PARTIES

The resident/pet owner will be required to designate two responsible parties for the care of the pet if the health or safety of the pet is threatened by the death or incapacity of the pet owner, or by other factors that render the pet owner unable to care for the pet.

O. INSPECTIONS

The PHA may, after reasonable notice to the tenant during reasonable hours, enter and inspect the premises, in addition to other inspections allowed.

*** P. PET RULE VIOLATION NOTICE**

The authorization for a common household pet may be revoked at any time subject to the Housing Authority's grievance procedure if the pet becomes destructive or a nuisance to others, or if the tenant fails to comply with this policy.

Residents who violate these rules are subject to:

Mandatory removal of the pet from the premises within 30 days of notice by the Housing Authority; or if for a threat to health and safety, removal within 24 hours of notice.

Lease termination proceedings.

If a determination is made on objective facts supported by written statements, that a resident/pet owner has violated the Pet Rule Policy, written notice will be served.

The Notice will contain a brief statement of the factual basis for the determination and the pet rule(s) that were violated. The notice will also state:

That the resident/pet owner has 5 days from the effective date of the service of notice to correct the violation or make written request for a meeting to discuss the violation;

That the resident pet owner is entitled to be accompanied by another person of his or her choice at the meeting; and

That the resident/pet owner's failure to correct the violation, request a meeting, or appear at a requested meeting may result in initiation of procedures to terminate the pet owner's tenancy.

If the pet owner requests a meeting within the 5-day period, the meeting will be scheduled no later than 10 calendar days before the effective date of service of the notice, unless the pet owner agrees to a later date in writing.

Q. NOTICE FOR PET REMOVAL

If the resident/pet owner and the PHA are unable to resolve the violation at the meeting or the pet owner fails to correct the violation in the time period allotted by the PHA, the PHA may serve notice to remove the pet.

The Notice shall contain:

A brief statement of the factual basis for the PHA's determination of the Pet Rule that has been violated;

The requirement that the resident/ pet owner must remove the pet within [insert number] days of the notice; and

A statement that failure to remove the pet may result in the initiation of termination of tenancy procedures.

R. TERMINATION OF TENANCY

The PHA may initiate procedures for termination of tenancy based on a pet rule violation if:

The pet owner has failed to remove the pet or correct a pet rule violation within the time period specified; and

The pet rule violation is sufficient to begin procedures to terminate tenancy under terms of the lease.

S. PET REMOVAL

If the death or incapacity of the pet owner threatens the health or safety of the pet, or other factors occur that render the owner unable to care for the pet, the situation will be reported to the Responsible Party designated by the resident/pet owner. This includes pets who are poorly cared for or have been left unattended for over 24 hours.

If the responsible party is unwilling or unable to care for the pet, or if the PHA after reasonable efforts cannot contact the responsible party, the PHA may contact the appropriate State or local agency and request the removal of the pet, **or the PHA may place the pet in a proper facility for up to 30 days. If there is no other solution at the end of 30 days, the PHA may donate the pet to a humane society. Cost of this professional care will be borne by the pet owner.**

If the pet is removed as a result of any aggressive act on the part of the pet, the pet will not be allowed back on the premises.

T. EMERGENCIES

The PHA will take all necessary steps to ensure that pets that become vicious, display symptoms of severe illness, or demonstrate behavior that constitutes an immediate threat to the health or safety of others, are referred to the appropriate State or local entity authorized to remove such animals.

If it is necessary for the PHA to place the pet in a shelter facility, the cost will be the responsibility of the tenant/pet owner.

This Pet Policy will be incorporated by reference into the Dwelling Lease signed by the resident, and therefore, violation of the above Policy will be grounds for termination of the lease.
